

Tool 2: Intervention Review Worksheet

Use this chart to summarize findings from your review of prevention interventions. Key findings from this review, and from your review of the strategic planning processes, will help you set sound sustainable goals for your community.

Intervention Guidelines				
Interventions	Evidence of Effectiveness*	Evidence of Internal Capacity*	Evidence of Community Support*	Task Force Role*
<i>Intervention 1: Write your first intervention here.</i>				
<i>Intervention 2: Write your second intervention here.</i>				
<i>Intervention 3: Write your third intervention here.</i>				
<i>Intervention 4: Write your fourth intervention here.</i>				
<i>Intervention 5: Write your fifth intervention here.</i>				

SAMHSA'S CENTER FOR THE APPLICATION OF PREVENTION TECHNOLOGIES

* **Evidence of Effectiveness:** Is the intervention achieving positive prevention outcomes? * **Evidence of Internal Capacity:** Determine if the intervention is well equipped with staff, supplies, and space. * **Evidence of Community Support:** Is the intervention valued by community? * **Task Force Role:** Describe your prevention task force's level of responsibility for sustaining successful interventions.
