Project Director

Central East (HHS Region 3)

MHTTC

DEBORAH NIXON-HUGHES,
Central East PTTC
Project Director

Central East (HHS Region 3)

PTTC

WEBINAR DESCRIPTION:

The Danya Institute manages SAMHSA-funded Region 3 Technology Transfer Centers:

Addiction (ATTC)

Mental Health (MHTTC)

Prevention (PTTC)

The TTCs disseminate and implement evidence-based and promising practices for the behavioral workforce. Training and technical assistance (T/TA) is available to develop and strengthen systems that provide substance use disorders and mental health prevention, treatment, and recovery support services.

OBJECTIVES:

- Orient attendees to the technology transfer model
- Inform attendees of T/TA opportunities
- Educate attendees of the process to request T/TA
- Inform attendees of joining an Advisory Boards
- Provide a Q/A forum to answer questions regarding your T/TA needs

WHO SHOULD ATTEND?

Anyone! Behavioral health care professionals, prevention professionals, health care workers, community coalitions, peers, consumers, family members, stakeholders, and advocates interested in improving cultural competence and humility in the delivery of behavioral health.
