

**PTTC**

Prevention Technology Transfer Center Network  
Funded by Substance Abuse and Mental Health Services Administration

**The HHS Region 2 Northeast and Caribbean  
Prevention Technology Transfer Center (NeC-PTTC) presents:**

## *Emerging Trends in Substance Use*

### **Course Description:**

This three-hour course will review some of the trends emerging in substance use. It will include information on heroin, methamphetamines, fentanyl, K2 & bath salts. For each substance, participants will learn the composition of the drug, routes of administration, and effects. Training will also include group discussions about prevention strategies for each substance.
