

Introduction to the Three Technology Transfer Centers in HHS Region II: Training and Technical assistance for substance misuse prevention, addiction, and mental health in New Jersey, New York, Puerto Rico, and the United States Virgin Islands

When: Tuesday, December 3, 2019, 10 am to 11:30 am ET

Where: Webinar – Join us via Zoom

Presenters:

Michael Chaple, Ph.D.

Director, Northeast & Caribbean Addiction Technology Transfer Center

Ibis S. Carrión González, Psy. D.

Co-Director, Northeast & Caribbean Addiction Technology Transfer Center

Ann A. Murphy, Ph.D., CPRP

Co-Director, Northeast-Caribbean Mental Health Technology Transfer Center

Kristen Gilmore Powell, Ph.D., L.S.W.

Director, Northeast & Caribbean Prevention Technology Transfer Center

This webinar will provide a brief overview of the TTC model, goals, and objectives. We will introduce participants to leaders from the Addiction Technology Transfer Center (ATTC), the Mental Health Technology Transfer Center (MHTTC), and the Prevention Technology Transfer Center (PTTC) serving New Jersey, New York, Puerto Rico, and the US Virgin Islands. We will share how to access our training and technical assistance services for substance misuse prevention, addiction, and mental health. Participants will have the opportunity to ask questions to the presenters.
