

## *Enhanced Prevention Learning Series (EPLS): Prevention Ethics*

### EPLS Prevention Ethics Overview

This distance learning series offers a unique interactive experience that explores the six principles of the Prevention Code of Ethics using realistic examples designed to strengthen participants' abilities to manage challenging situations in their work. The learning series is structured to also provide online consultation, skill-based learning and practice, group and individual activities, reading assignments, and discussion on topics essential to application of an ethical decision-making process.

#### **During this webinar participants will:**

1. Define Ethics and related terms.
2. Describe the six principles in the Prevention Code of Ethics.
3. Use an ethical decision-making process to apply the Prevention Code of Ethics.

### Facilitator

**Ruby Moseley**, ACPS, Currently resides in central Texas, and has worked in the field of substance use prevention across the state and with national partners for more than 18 years. Ruby has served as a Substance Abuse Prevention Skills Training (SAPST) trainer throughout the state as part of the state's tobacco prevention and education program. She has served in a variety of professional and volunteer roles for organizations, delivering in-person and online collaborative trainings to prevention professionals in the field.
