The HHS Region 2 Northeast and Caribbean Prevention Technology Transfer Center (NeC-PTTC) presents

Emerging Trends in Substance Use (webinar)

Wednesday, January 27th

12:00PM - 1:00PM (Eastern Time)

Course Description: This one hour webinar will review trends in substance use from the past year and look at possibilities for 2021. Using the National Survey on Drug Use and Health (NSDUH) 2020, this presentation will provide information on which drugs are increasing, which drugs might be decreasing, and discuss the effects of COVID-19 on treatment and prevention, as well as information on mental health issues for adolescents.

Trainer: Mary McCarty-Arias

Cost: Free

Credits: This training meets the requirements for one renewal hour (CASAC, CPP, CPS) and one initial hour (CPP, CPS) through New York State's Office of Addiction Services and Supports (NYS OASAS). The NJ Department of Mental Health and Addiction Services offers reciprocity for CADC, LCADC, and LPC.

Participants must attend the session in its entirety in order to receive a Certificate of Completion.
