WHAT ARE THE BARRIERS

Generational Trauma

Resulting in families, and culture, with generational wounds and behaviors:

- Historically, over 20-60 million of our people killed, raped and abused...
- Our land stolen...
- Our ceremonies, traditions and values demonized...
- Indoctrinated with false teachings:
Colonized thinking (Patriarchy, False Machismo, Misogyny) resulting in Violence, Infidelity, Self Hate etc.
