importance of good focused questions

I was reminded about the positions in the planning team to consider as well as being reminded about letting the focus group know the manner of destruction of records

Planning team - was doing this but with like 3 people

Groups should be about 6-12

criteria of good questions to ask

asking the youth/focus group ask the questions

Leave no-sub groups out

ELMO

ELMO!!!!
"Enough, Let's Move On"

Summarizing the findings and then asking the group if it was summarized correctly

ELMO - Let's move

To consider a solid cross-section of representative group

how to structure and plan a focus group

The importance of good focused questions.

Examples of incentives

ELMO

making sure questions are non-judgemental

I loved the idea of having youth/members of focus population ask the questions.

Benefits of focus groups

Need for consent, equity, and beneficence

to monitor refusals

Having a facilitator

Focusing on the safety of the group and being intentional

Creating focus groups sessions for subgroups.

Having FAQs ready for FG participants.

The need for a whole team to plan this activity! And having a recorder and facilitator, and having a youth as a facilitator!

Provide Incentives

the importance of consent forms

Having a diverse focus group include as many populations as possible

consent form needed;cross section

ELMO

how to pick the focus groups members and plan the questions

The need for a whole team to plan this activity! And having a recorder and facilitator, and having a youth as facilitator for youth!

how to plan and structure a focus group ,

Loved the steps to facilitating. Setting it up successfully. Good Questions.
