# Purpose of the TTCs

1

Develop and strengthen the **workforces** that provide substance use disorder and mental health disorder prevention, treatment, and recovery support services.

2

Help people and organizations incorporate **effective practices** into substance use and mental health disorder prevention, treatment and recovery services.

# PTTC Network Approach

## ***The PTTCs...***

Develop and disseminate tools and strategies needed to improve the quality of substance abuse prevention efforts

Provide training and resources to prevention professionals to improve their understanding of

- prevention science,
- how to use epidemiological data to guide prevention planning, and
- selection and implementation of evidence-based and promising prevention practices.

Develop tools and resources to engage the next generation of prevention professionals
